To Whom It May Concern
Benchmark Connector

REF: Franchised Distributor Certification

This letter serves as certification that Benchmark Connector is an Authorized, Franchised, Reseller of all connector products for Conesys, Inc. and its subdivisions: Aero-Electric Connector, J-Tech, EMP Connector, and Aero Industrial Products.

As a Category C Distributor for the lines noted below, Benchmark Connector value-add assembly lines are Mil-Approved and assembled in accordance with latest revisions of the respective Military Standards.

The following military connector specifications apply:

Aero Electric Connector:

AS50151 (Series III) AL
AS50151 (Series III) SS
MIL-DTL-26482 Series 2
MIL-DTL-26500
MIL-DTL-83723 Series III AL
MIL-DTL-83723 Series III SS
MIL-DTL-38999L Series I, II and III
MIL-DTL-38999 Series III SS
EN2997

All products manufactured by Aero Electric Connector that are assembled by Benchmark Connector are assembled in accordance with the latest revisions of their respective military standards. Benchmark Connector is also authorized to sell all Conesys Inc. products from its subdivisions of J-Tech, EMP Connector and Aero Industrial Products.

Regards,

Masi Shokraipour
Director of Quality
Conesys, Inc.
