RE: Letter of Authorization

To Whom it may concern,

This letter is to authorize and acknowledge that Benchmark Connector Corp. is a fully authorized and franchised distributor for the complete line of connectors and cable assemblies manufactured by Robert Technologies. All products manufactured by Robert Technologies and sold through Benchmark Connector Corp. carry the full factory warranty and support of the manufacturer.

If you or any of your associates / customers require any additional information on this, they can call me directly at 732-254-6389, ext. 602 or email JHoffman@Robert-Technologies.com.

Thank you again for your support,
